

2025 Wallace Nutting Collectors Club Spring Zoom Convention Agenda

Thursday, April 10th
6:30 p.m. EDT

The Zoom "waiting room" will be open at 6:15 p.m., so attendees are welcome to join anytime during those 15 minutes before we start the meeting at 6:30.

Introduction:

President, Jan Liberatore will welcome everyone to our meeting. Moderator, Sue Ivankovich, will discuss how we'll manage the meeting and then have everyone give a quick introduction.

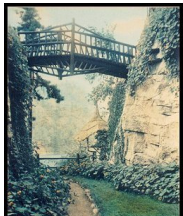

Presentation #1:

Abigail Manville: "The Archive in My Basement: Exploring a Family Legacy"

Abigail is an art historian and artist whose first experience with Wallace Nutting came from growing up with her grandmother, Dorothy Manville. She will share some recent rediscoveries after cataloguing her grandmother's research and belongings, as well as some of her own research into Wallace Nutting.

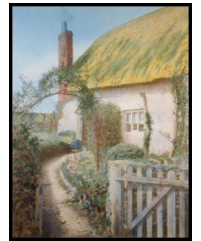

Buy & Sell:

We will go around to participants who are interested in showing what they have for Sale ...or what they'd like to Buy.

• **If you're Selling:**

- Have your item(s) ready to hold up to the camera to show the group and specify your price for each piece. We recommend making a sign that has your name, email & phone number on it to display so people can contact you.
- If you're able to create a slide show of available items, we can set up "screen share" for attendees to view your show. Each slide should include a price, and also your contact information.

• **If you're Buying:**

- Let the group know your "wish/interest list" and plan to hold up a contact information sign.

If someone is immediately interested in an item for sale, they can either speak up, raise their hand, or post a message to the seller in the Chat window. All transactions are between the Buyers and Sellers where they arrange the details of final pricing, shipping, etc. after the meeting.

Presentation #2:

Open Discussion: "Wallace Nutting Picture Preferences Through the Years"

Join us to talk about how your collecting choices have evolved since you purchased your first Nutting or other Hand-Colored Photo. We'll also talk about how versions of "Rarities" have changed over time. We welcome you to share your special pictures with the group.

2025 WNCC Convention & Meeting Conclusion

We'll wrap up the meeting by going over some of the September 17-18th convention details, and with further conversation of the scheduling.
